foreword

The pictures that I have woven together are an attempt to portray yourself as you really are and leave with you memories that shall ever bind you to Texas Wesleyan College and the heritage for which it stands. May each photograph suggest to you and remind you of the good time you had and the many friends with whom you have shared your happiness.

I can truthfully say it has been my pleasure and honor to edit this picture story for you. I can also say that I have had lots of fun working with it. Following a photographer can prove to be interesting, and believe me you end up in some of the funniest spots. I know that you can't please everyone, but I have made a real attempt to come as near to it as possible. This is your TXWECO — I sincerely hope you like it!

MISS CATHERINE WAKEFIELD

We, the Senior Class of 1952, think it only fitting that we dedicate this, the 1952 TXWECO, to a person whose efforts warrant such an honor.

In the four years that we have known her we have grown to like her more and more. Attesting to this is the fact that she has been elected our class sponsor for the past two years. Her smile and friendliness can be unsurpassed and the many friends she has made while she has been at TWC are ones that will always hold her in high esteem. No one has had the opportunity to come into contact with more students than has she, but our class shall always claim her as our own.

Surely, no one could be more deserving or more fitting to receive such a dedication as our own Miss Catherine Wakefield.

dedication

It is with deep humility that the Senior Class also dedicates the 1952 TXWECO to their former classmate, Marilyn Forston.

May the ideals for which she stood ever go with us and be our guide — serving as factors toward a fuller life, as they were in hers.

Three "danites" examining their "loot."

That silly grin means only one thing — someone in Ann has been up to something.

That mad scramble to see what "we" got!

At one time of the year the Christmas spirit rules the dorms. Here is just a glimpse of what you might see if you dropped in at Dan or Ann Hall at their Christmas parties.

Just before the scramble!

Mrs. Blow and Mrs. Turner, housemothers of Ann Hall, beam over their gifts.

There must be something interesting in those boxes for these three Dan girls.

The year 1952 is going to place world responsibilities upon the shoulders of each senior of Texas Wesleyan as you take up your duties as a citizen of this vast empire. Never have world affairs called for leaders with broader understanding of national and international affairs and with more stability of purpose for the right. You will need an inner sense of values which comes only from a willingness to serve and to sacrifice.

Your leadership on the campus leads me to feel that you will take your place in the business world with this same spirit of helpfulness to others. My blessing to you in your new tasks.

LAW SONE
President

We as individuals or as a nation, it matters not how much we might wish otherwise, can only start from the place we are now standing. That position today, and for the immediate future, seems to be fraught with much tension. Thus this is not an era for summer patriots, who will crack under the strain, but a time that challenges the sterner qualities of toughness and courage, tempered with patience. If we blend the attributes of our frontier forebearers with the wisdom and justice of our Divine Father, our chances of riding out the storm will be greatly enhanced. May your voyage be a successful one is the wish of the administration of your Alma Mater — Texas Wesleyan College.

WALTER R. GLICK
Vice-President

We are grateful for the rich heritage which has been provided for our forebears. If we are deserving of the blessings of democracy, we must strive to maintain its principles and its precepts. College educated men and women should furnish the leadership for a perpetuation of the "American way of life."

May each of you accept this obligation with glad hearts and willing spirits.

One of the friendly faces that greets you when you go into the registrar's office . . . this is the smile of Miss Zazel Sloniger, Assistant Registrar.

This is one of the highlights of Sadie Hawkins Day, 1951, when Mr. F. R. Matthis is made honorary "Depity."

Dr. Gladys Bowman always has a lot of counseling to do with her students of business administration when registration time rolls around.

Everyone makes a vain attempt to be present at the annual all-school barbeque at the opening of school in September.

Miss Maude A. Pettey, one of our counselors, who always has a friendly smile and a word of advice or a helpful suggestion at the request of a student. She is always ready to listen to a problem.

This is just a reminder to you students that diligent study and hard work may result in being a member of Alpha Chi. Two faculty members, Mrs. Rose Lisenby and Miss Annie Lee Knox, and one student, Helen Rester are three who have attained this rank.

Mr. Rice really doesn't want a chapel seat, he is just checking and making his usual rounds at registration to see that everything is kept going in orderly fashion.

A good friend to all the ex-GI's and everyone in the department of education is Dr. E. M. Bowman's secretary, Mrs. Juanita Clark.

SPECIAL

A scene including a portion of the cast from the fall production, "The Male Animal."

You know, it's really amazing what some people will do to be noticed. Creatures like these would never appear as such except on one occasion — Sadie Hawkins Day.

EVENTS

A most important event which should never be left out of a good book is in-between-class coffee and gossip. You ask what kind of gossip—oh, about teachers, other students and that horrible biology test I had!

"Get in there and root!", as revealed by the expression of the cheerleaders at the bonfire on the night preceding the Homecoming Game. That wonderful fire was furnished by the Fish.

My Goodness! In what age are we living? Has time passed on and left these poor creatures like this or have they started a new colony?

Just a little example of what happens to a poor innocent lil' 'ol "fish."

Never underestimate the size of that "Fish Pond." They say miracles never cease.

SNAPS

The smoke curls, and music rises in the air, thus ending a wonderful time at the Freshman-Sophomore pienic in Sycamore.

You know we must look just right.

From the look on Dale's face, it must have been a wicked blow. Can't seem to identify the other party, wonder why?

A never forgetful day — the one in which you cleaned the "fish pond."

By no means are the "fish" lazy. Just an air-raid, that's all!

CONVOCATION

The traditional ceremony uniting the Freshman Class and the Student Body. The ceremony is read by Dr. Law Sone.

Selecting some good records for the Freshman Mixer.

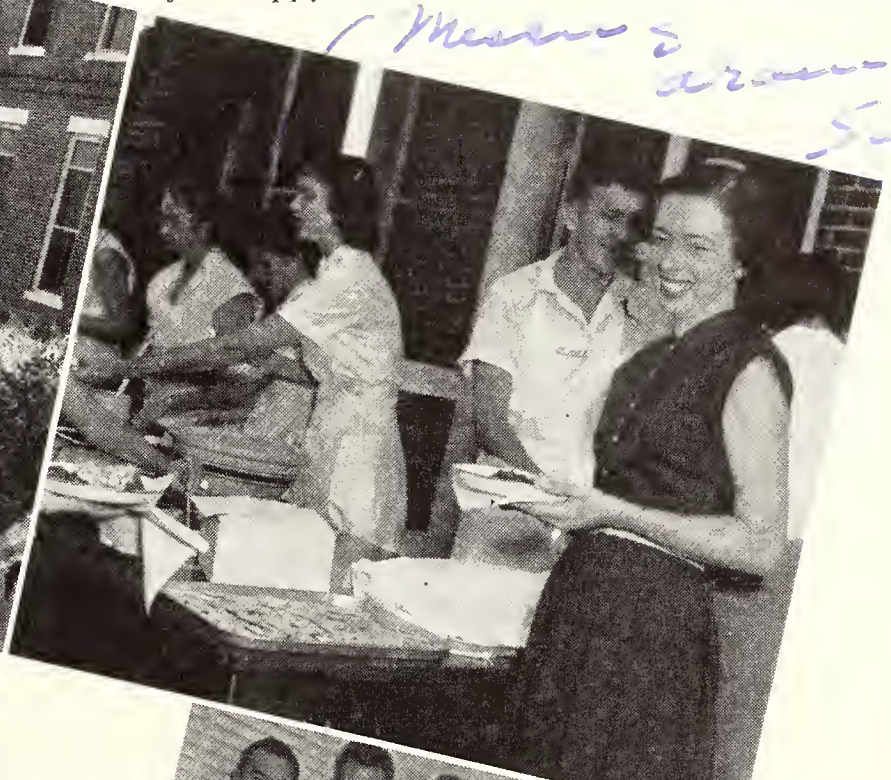
The Bride and Groom — Sandra Sandifer and Hiram Johnson.

The Maid of Honor and the Best Man — Dorothy Hutcherson and R. E. Windham.

WEEK

Everyone turns out for the all school barbecue at the beginning of school.

Martha must have thought it was funny or is she just happy?



BSU — Family Portrait.

Honestly, some of the contortions that people will go through just to eat!

Wow! Who? Where? Why? How come? Ain't nobody what can smooch like that Wolf Gal!

Gittin' them thar hogs out'n from the lower pasture.

This kind of stuff is a disease on Sadie Hawkins Day. Think it's kinda catchin' on all the other days, too.

SADIE HAWKINS DAY

SADIE HAWKINS DAY

Two hardworking Freshmen who helped to make their dance a success.

The look on the faces of these people can mean only one thing . . . mid-semester registration.

PAT JACKSON

Pat Jackson, an attractive brunett from Martinez, California was selected to reign as the Basketball Queen for 1951-52. On top of her school work, she plays wife to one of the basketball players, Ralph Jackson, and mother to a four year old son, Skipper. This year she is a Freshman at TW and a member of DEKA. Ralph and Pat's son donned a Basketball suit and was presented along with his mother at the homecoming game as mascot of the Ram Team. Our Congratulations to Pat for this honor!

DANA HART
Head Coach

When Dan Hart signed on the dotted line and took over the duties of head coach at the end of the 1950-51 season, he faced the bleak outlook of unsettled world conditions and the possibility of the draft taking his best basketball timber.

But Coach Hart came through with traditional commendments similar to those he enjoyed during the days when he coached the successful Lambs and organized one of the best intramural programs on the TW campus. With second place in the Big State Conference the Rams made a tremendous showing this year.

A graduate of Odell High School, Coach Hart has come a long way since he lettered on the Ram team his second year as a student at TWC. After serving in the armed forces he re-entered TWC in September, 1946. Following his graduation in 1947 he went to North Texas State College where he received his M.S. degree.

His winning smile and pleasing personality has not only won him many friends among the athletes but won the heart of lovely Dorothy Sue Rowe, graduate of TWC, whom he married in 1950.

The co-captains of the 1951 basketball team are Lou Zastoupil and Charles "Moe" Dowler. Lou, a three year letterman from Dallas, is noted for his fine drive-in shots and takes more than his share of rebounds. This is his last year as a member of the squad. "Moe", also a three year letterman from Burgettestown, Pennsylvania, is noted for his excellent rebounding and accurate one hand push-shot. "Moe" is also serving his last year on the squad.

The Rams this year were members of the newly formed Big State Conference which consisted of seven teams. Other conference members were East Texas Baptist, St. Edward's, St. Mary's, Southwestern, Texas Lutheran and Daniel Baker.

The Rams opened their season by playing in the All College Basketball Tournament at Tulia, but weren't too successful, losing to highly favored Texas Tech and Wayland. One of the bright spots of the Ram's tournament play was the shooting accuracy of Jerry Buck, who scored fifteen points in the Wayland game. The Rams won their next two games, beating Hardin-Simmons and Saint Mary's at the Rec Hall. These two victories started a string of six consecutive home victories. The day before the beginning of Christmas vacation, the Rams journeyed to Commerce to meet the powerful East Texas State. After a nip and tuck battle all the way the Rams were finally beaten 56-53. One of the highlights of the game was Joe Bradley's deadly shooting which accounted for 18 points before he fouled out.

After a two week lay-off for the Christmas holidays, the Rams lost to Hardin-Simmons in Abilene, but bounced back to defeat Howard Payne 65-55. This victory proved to be the turning point of the season. The Rams had finally hit their stride.

The two following games with Daniel Baker and Southwestern proved to be easy victories. The Rams received their first defeat in conference play at the hands of St. Edward's by the score of 68-67. Lou Zastoupil turned in one of his better performances of the season and was the first Ram to pass the twenty mark, scoring twenty-two points.

The Rams bounced back by beating Southwestern and Wayland rather decisively. By beating Howard Payne 69-68, the Rams proved that they could win the close ones. With less than two minutes of the game remaining

LOU TASSIONE
Assistant Coach

Lou Tassione, who lettered last year for the Rams, is serving his first season as assistant coach of the Rams. He graduated from TWC last June and is currently working on his Master's Degree. Other than assisting Head Coach Hart with the varsity, he is intramural director and a P. E. Instructor.

Howard Payne was leading by four points. Baskets by Zastoupil and Jefferson tied the score at 68-68. With five seconds remaining Dowler sunk a free throw for the winning margin. Three nights later the Rams beat East Texas 70-69. After missing three consecutive free throw tosses, Ralph Jackson hit a two-handed set shot with fifty-five seconds remaining to give the Rams their second straight one-point victory.

TWC traveled down to San Antonio to play St. Mary's and Texas Lutheran. It was a successful trip for the Rams brought back two victories. The highlight of the trip was the scoring of Mel Chapman and Dowler, who accounted for forty-nine of the total eighty points scored by the Rams.

The East Texas Baptist Tigers spoiled the Homecoming by handing the Rams their second conference defeat with a score of 57-54.

The Wesleyans got back to their winning ways by beating ACC 82-79. Chapman played the outstanding game of his career by rebounding well and scoring twenty-seven points. His twenty-seven points were the most scored by any Ram this year. Daniel Baker was the next opponent and was beaten rather handily with a 75-44.

In a return game the Rams attoned for a previous defeat at the hands of St. Edward's by beating them 53-48 at the Rec Hall. Bradley was high point man with twenty-four points. He scored ten of these in the last quarter.

The final home game of the season was with Texas Lutheran. The Rams put on a fine display of shooting accuracy, winning 86-56. This scoring spree was TWC's high for the season and tied the post war scoring record set by the 1946-47 team. The Ram reserves played the whole second half.

The season came to a dramatic finish matching TWC with ETB at Marshall. The Tigers were one-half game ahead of the Rams in the conference standing. A victory would assure TWC at least a tie for first place and possible a play-off berth for a chance to go to the N.A.I.B. Tournament in Kansas City. The Rams played an inspiring game, but came out on the short end of the 74-68 score.

The Rams had to be content with second place in the conference, finishing the season with a conference record of nine wins and three losses. The over-all record for season play was fifteen wins and seven losses.

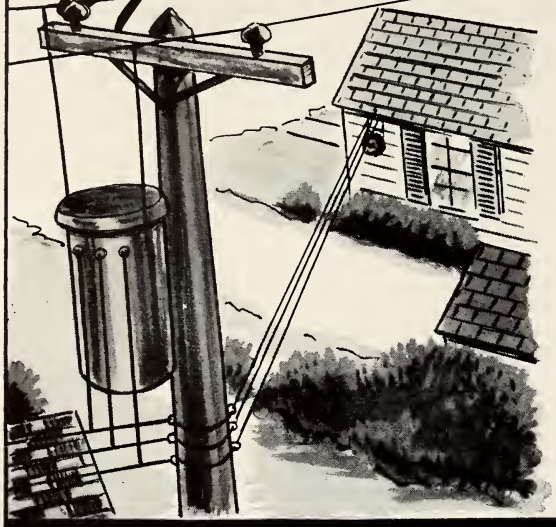
Symbols of Your Modern Electric Service



• A pole like this, a transformer and a set of wires like these deliver electric service to your home. They bring you the comforts, convenience and all-around better living that electric service makes possible.

Yet this pole and wires are only a small part of the network of electric wires that bring power into your home from our six large steam-electric generating stations. Behind your electric service is the combined efforts of nearly 2,000 skilled men and women. They work around the clock to keep your electricity always ready — always on the job for you. Good electric service doesn't "just happen."
